

BATHROOM CABINET RANGE LAUNCHED

A range of bathroom cabinets is launched by **demista**[™], the leaders in steam free mirror systems. As with their original single-door model, the two new cabinets incorporate the well proven **demista**[™] system that keeps the mirror crystal clear and steam free, even in the most steamy bathroom. The cabinets are both attractive and functional, with clean lines that will complement all bathroom styles.

The Gemini single door model is made from high quality MDF with a white gloss paint finish and the door has mirrors on the inside and outside. There is an internal shelf and chrome door knob, and is 36cm x 46cm x 15cm. Price £136.00 delivered incl. VAT

All models are easy to fix with the kit supplied.

demista™ cabinets are economic to run, costing less than 1p for 32 hours and are maintenance and trouble free. They provide steam free viewing, have storage space for all your bathroom requisites and are simple to install, just connect to bathroom lighting in accordance with the instructions.

The new **demista™** bathroom cabinet range can be bought online at www.demista.co.uk

The company also supplies **demista™** heated mirror pads in various sizes that fit behind all mirrors and Cosyfloor underfloor heating mats and cables.
